

BLESSED SACRAMENT SCHOOL

SPES MESSIS IN SEMINE... *THE HOPE OF THE HARVEST IS IN THE SEED*

November 27, 2016

Dear Parishioners, Alumni, Families and Friends,

Whether you are a friend, parishioner, or alumni of Blessed Sacrament School, we want to share our exciting news with you! As our students once again fill the halls with their laughter, enthusiasm and eagerness to learn, we are filled with a sense of purpose and we pray that our Annual Appeal will help the Parish fulfill its mission and motivate our students. This year, many of our dedicated faculty have volunteered to begin a certification process in Science, Technology, Engineering, the Arts, and Mathematics (STEAM) education. We are joining a successful movement that stresses the importance of integrating the arts and sciences in our everyday curriculum. Multiple studies have shown that students achieve closer to their full potential when authentic, creative, and standards-based STEAM pedagogy is used in the classroom. Robotics software, SMART Boards®, mathematics manipulatives, and musical instruments are among the materials we need to ensure a successful program.

Another important purpose of this year's Appeal is to implement a comprehensive advertising campaign to boost enrollment. Blessed Sacrament continues to offer an excellent academic program and we need to get that good news out to everyone in Providence and our surrounding communities. We plan to hire a professional marketing firm to guide our campaign and to ensure that your gift is utilized to its full potential. Our overall goal is to raise \$100,000.00 to fully fund our initiatives and I want to assure you that Fr. Grondin and I pledge to use your gifts wisely.

Enclosed, please find the donor information card and a return addressed envelope with all the information you need to make your gift/pledge. Please respond by the end of December so that your gift will help our faculty and current students achieve to their highest potential.

Thank you for all you do for Blessed Sacrament. Your commitment to the success of the school makes Blessed Sacrament what it is today.

Sincerely,

Mr. Christopher Weber
Principal

Fr. Charles R. Grondin
Pastor
